Q1

Process:1. Complete the conflict of interest disclosure form and submit to the CPD provider organization or scientific planning committee, as directed.2. Disclosures must be made to the audience whether you do or do not have a relationship to disclose.3. Speakers must disclose conflicts verbally and in writing on a slide at the beginning of a presentation. All other individual's conflicts must be disclosed either in writing on a slide at the beginning of a presentation or be included in the written conference materials.4. Those responsible for developing or delivering content must ensure that the content and/or materials presented provide (where applicable) a balanced view across all relevant options related to the content area.5. The description of therapeutic options must utilize generic names (or both generic and trade names) and not reflect exclusivity and branding.

By clicking "NEXT," you confirm that you have read and agree with the above requirements.
