CanSAGE Mission

The mission of the Canadian Society for the Advancement of Gynecologic Excellence is to promote and maintain high standards of excellence in the diagnosis and management of complex gynecologic conditions. The society is quality education, providing a national forum for discussion of clinical and basic research and promoting improved ways to deliver quality patient care.

2025 CanSAGE Meeting Recap

The 2025 CanSAGE Meeting welcomed 277 participants, including practicing minimally invasive gynecologic surgeons, clinician educators, trainees (fellows, residents, and medical students), as well as fellowship and program directors. Among the attendees were 123 practicing physicians, 74 trainees, and 24 invited speakers.

The event featured national representation from across Canada, with the majority of participants coming from Ontario, Saskatchewan, Québec, British Columbia, and Alberta. Additionally, 15 international attendees joined from outside Canada.
